To The Families That We Service

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public in order to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services be identified. It is our family's sincere concern that we will make every effort to meet your needs. We appreciate the confidence and trust that you have placed with us.

“Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent”.
